

United States Department of Energy

# 2003 Pollution Prevention Award

## John Marchetti

*In Recognition of Exemplary Performance  
in Pollution Prevention and Sustainability  
in the Conduct of Departmental Operations:*

Championed pollution prevention and sustainability by founding the complex-wide Waste Minimization Management Group (WMMG), developing and sponsoring the National Nuclear Security Administration's (NNSA) Pollution Prevention Hands-On Training Technology Workshops, producing the award-winning video tape, *No Higher Priority*, and publishing the NNSA *ESAVE* (Environmental Stewardship and Value Engineering) newsletter, a winner of the White House Closing the Circle Award. Served over a decade as a mentor and inspiration across the Department of Energy complex.
